SAMBITA

Letters of Recommendation Fall 2008

Dear Mark,

Thank you for an excellent job by Sambita during my daughter's wedding at Astor's Beechwood Mansion in Newport last October 5th. Both the Bride & Groom expressed their amazement how wonderful the music was. Our guests from all over the world had the best time ever and told to us that they won't soon forgot this event. We both know it's all about the music! From the wedding ceremony accompaniment by flute & keyboard, to the cocktail hour with guitar, bass and percussion and Sambita during the reception & dinner dance - very professional and the best selection of Latin and American dance music. You certainly got the party going. The event planners at Astor's and Russell Morin Fine Catering were amazed that you only took one break! Congratulations on a job well done.

“Our guests from all over the world had the best time ever...”

Sincerely,
Tom

Dear Mark,

Our sincere thanks for the outstanding performance at Tom and Megan's wedding. You provided us with a memorable, joy-filled, fun evening with unbelievable instrumentation and arrangements. Your professionalism, talent, and expertise were tremendous. Your kind words to all of us were truly appreciated. From the moment we said hello during the cocktail hour to the last note that you played, we were thrilled. All that we hoped for came true, thanks to you and your band. May you continue to be successful with your endeavors.

With warmest regards,
Tom & Janet

“Your professionalism, talent, and expertise were tremendous”

Dear Mark,

I wanted to thank you for a terrific evening! Sean and I were blown away with your band's enthusiasm and range. My favorite part of the evening was on the dance floor with your rendition of Bel Biv Devoe, Poison! Totally unexpected, and everyone was loving it! We truly appreciated the atmosphere you created - it was exactly what we were hoping for. A fun party! We cannot thank you enough for such a terrific evening, on our special day. I have recommended you to 3 other friends that are getting married in the near future, so hopefully they will make the wise choice and book you! Thank you again for all you and your band's hard work, and for the evening of a lifetime.

Sincerely,
Lisette & Sean
